## Customer Driven Philosophy

**Morgan Law is the market leader in Insurance & Risk Management and has been established since 1992 providing a wide range of insurance policies underwritten by leading insurers.**

In 2007 Morgan Law further enhanced its position in the market place by becoming part of Cullum Capital Ventures Ltd [CCV]. CCV has already established itself as a top 5 independent UK broking group with over £230m GWP (2010).

Based in Ipswich, Suffolk our head office is where our team of over forty team members is dedicated to serving your specific needs.

Our pride is our customer driven philosophy implemented by our qualified staff who have specialist expertise in all sectors of industry and can offer excellent advice in implementing effective insurance.

We are authorised and regulated by the FSA.

## Construction Insurance

**Morgan Law understands the specific needs of construction businesses and has specialised in this area since 1992. We offer exclusive schemes especially for the construction industry and a full dedicated broking and advisory team.**

Our team looks after the interests of principals and employers, as well as contractors and infrastructure managers. We pride ourselves in exceptional customer service meaning that once you have your policy in place your dedicated Account Executive will be available for changes, amendments and claims advice.

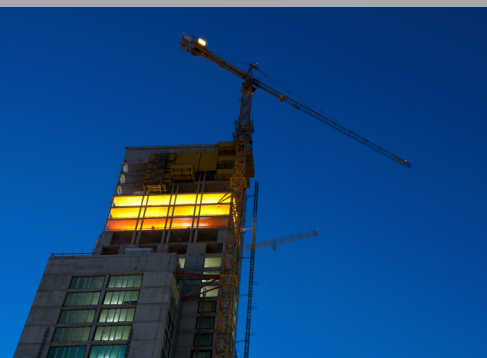

Morgan law has long standing relationships with various insurers enabling us to obtain competitive quotations and extensions in cover.

Let us do the work for you in finding a highly competitive quotation for the cover you need for your business.
